

Preparing to move

-
- Cancel your utilities - Garbage, water, electric, gas, cable, internet.

 - Start your utilities at your new home.

 - If you have an HOA, fill out an information form with them so they can contact you.

 - Forward your mail.

 - Don't leave anything behind - check all drawers, cabinets for things that you may have left.

 - Clean and patch holes.

1.

You don't need to go to forward your mail you can do it directly on their website - moversguide.usps.com/mgo/disclaimer

2.

Schedule your moving van as early as possible to ensure you get your first choice.
